

THE JOURNEY OF WORDS

Andrea Marcolongo and Andrea Ucini

Every language is made up of words from different places, events, and periods of time.

A definition tells us what a word means and how it is used in our own time. An etymology tells us where a word came from and what it used to mean.

Selling Points:

- Each of those words has an exciting story to tell us about where, when, how and why they came about.
- Written by **Andrea Marcolongo**, a classics expert and linguist, whose books have become bestsellers and have been translated into several languages
- Illustrated by **Andrea Ucini**, who regularly works for *The New York Times*, *the Economist*, *the Washington Post*, and many other top magazines and journals.
- Understanding how words have developed can teach us a great deal about our cultural history. Studying the histories of familiar words can help us deduce the meanings of unfamiliar words, thereby enriching our vocabulary.
